

I played a joke on you!

Also in the spring comes a silly day, it's on April first!

Hey! There's a litter on your head.
Hey! There's a donkey in your bed
Hey! All your teeth are turning red
I played a joke on you...

Hey! You drank wine instead of pop
Hey! That's not candy, that's a rock
Hey! There's an ice cube in your sock
I played a joke on you!

**April Fool's Day, April Fools Day
It's a great great day for playing a joke!**

Hey! There's a spider in your hair.
Hey! There's a dragon on the stair
Hey! There's a UFO out there
I played a joke on you...

Hey! Something's underneath your shoe.
Hey! Looks like Elmer spilled his glue
Hey! Wow the milk got really blue!
I played a joke on you...
