

## Cycle 1

### Jour 4 : Art et architecture

#### Les monuments

**Domaine** : explorer les formes (carré, rectangle, triangle)

**Compétence** : Reproduire un assemblage à partir d'un modèle

**Matériel** :

- Fiches modèles type Tangram avec ou sans décomposition en figures géométriques
- formes plastifiées ou découpées dans du papier mousse.

Attention : vérifier les dimensions à l'impression

**Enigme / Consigne** :

Refaire les monuments à la manière des tangrams, à l'aide des figures géométriques proposées (carrés, rectangles, triangles).

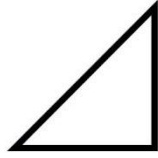

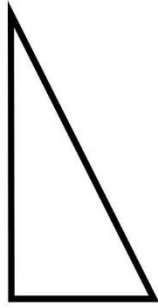

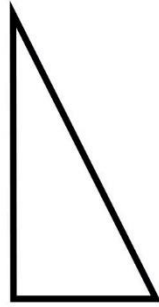

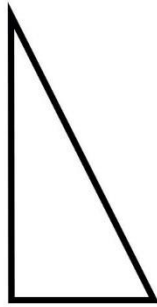

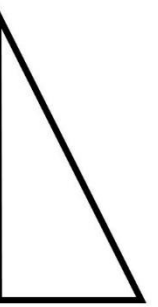

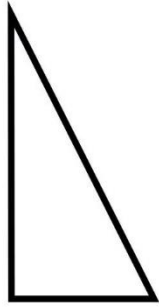

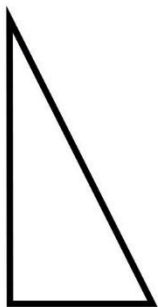

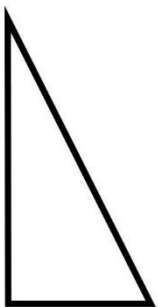

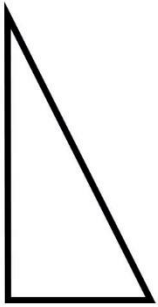

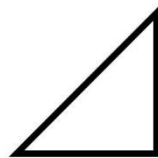

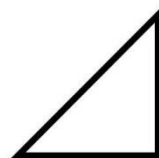

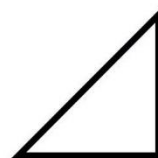

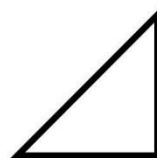

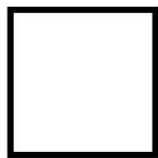

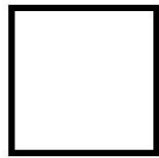

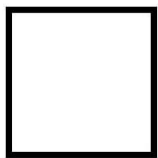

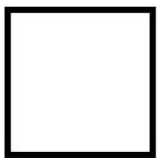

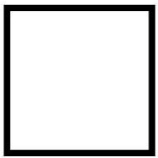

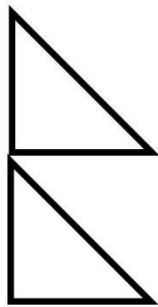

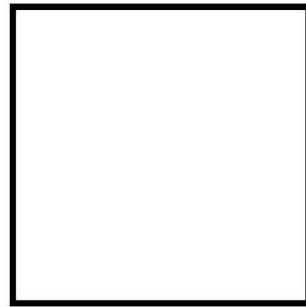

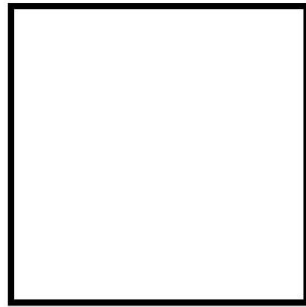

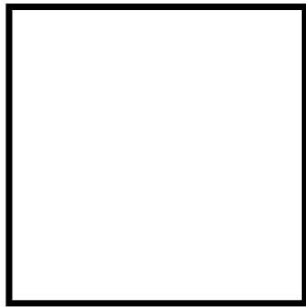

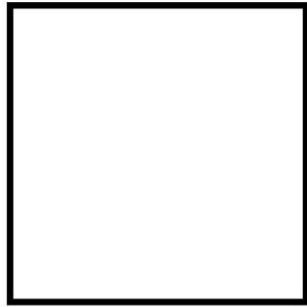

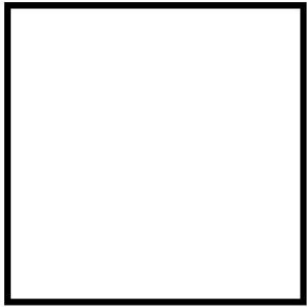

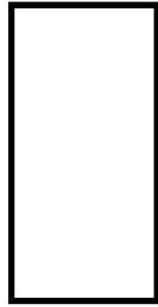

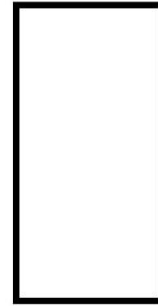

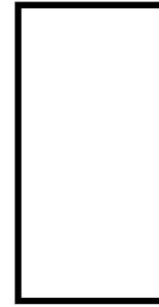

**Progression possible** :

- Hôtel de ville du Havre
- Théâtre Le Volcan du Havre
- Gare de Rouen
- Gros Horloge de Rouen

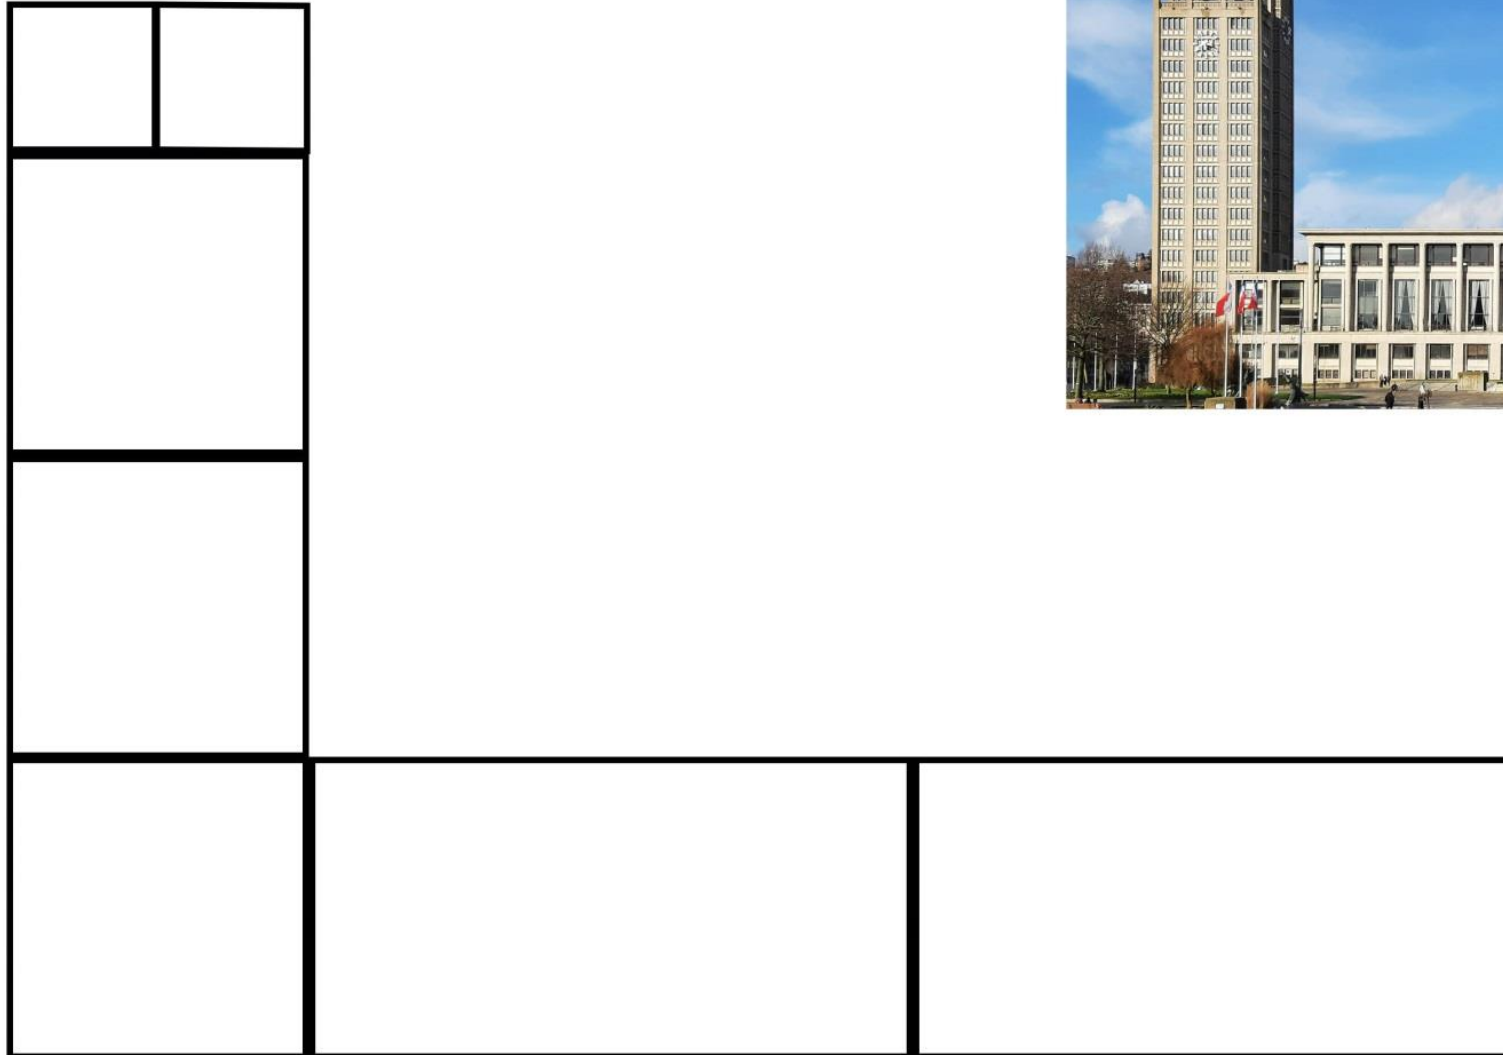

**Différenciation** :

- Avec ou sans modèle décomposé.
- Imposer les formes (ex : 2 triangles pour faire 1 carré).
