

Apports pédagogiques :

La poésie a toujours été un facteur enrichissant en enseignement d'un langage au vu de la particularité du texte poétique : rimes, intonation, vocabulaire soutenu ou pas, structures complexes voire idiomatiques dans la langue anglaise.

- Travailler les dimensions orales et écrites de la langue vivante.
- Travailler la phonologie
- Renforcer le travail de mémorisation

DÉCOUVERTE DU POÈME

Snowball

*I made myself a snowball
 As perfect as could be.
 I thought I'd keep it as a pet
 And let it sleep with me.
 I made it some pajamas
 And a pillow for its head.
 Then last night it ran away,
 But first it wet my bed*
