

Apports pédagogiques :

La poésie a toujours été un facteur enrichissant en enseignement d'un langage au vu de la particularité du texte poétique : rimes, intonation, vocabulaire soutenu ou pas, structures complexes voire idiomatiques dans la langue anglaise.

- Travailler les dimensions orales et écrites de la langue vivante.
- Travailler la phonologie
- Renforcer le travail de mémorisation

DÉCOUVERTE DU POÈME

Winter Morning Poem

Winter is the king of showmen,
 Turning tree stumps into snow men
 And houses into birthday cakes
 And spreading sugar over lakes.
 Smooth and clean and frosty white,
 The world looks good enough to bite.
 That's the season to be young,
 Catching snowflakes on your tongue!
 Snow is snowy when it's snowing.
 I'm sorry it's slushy when it's going.
