

Rock Paper Scissors

Traditional hand game

Jeu des trois coups inventé en Chine, effectué avec les mains et opposant deux joueurs que l'on peut traduire par : pierre-papier-ciseaux.

Rock Paper Scissors is a hand game, usually played between two people, in which each player simultaneously forms one of three shapes with an outstretched hand. These shapes are "rock" (a closed fist), "paper" (a flat hand), and "scissors" (a fist with the index finger and middle finger extended, forming a V).
